

Dignity Project

**360 bags
of personal
care items**

were provided to homeless women living on the streets and **over 100** survivors of human trafficking were provided with bags of personal care items.

78 women and families exiting the domestic violence shelter
28 youth aging out of foster care were provided with fresh linens and kitchen and bath accessories so that they can begin their new life of independence in a dignified manner.

**100's
of adults
and children**

were educated on helmet and bicycle safety, saving countless lives

Combating Human Trafficking

In cooperation with the Florida Department of Transportation, we developed posters highlighting techniques used by human traffickers to engage subjects. THESE POSTERS, WHICH INCLUDE THE HUMAN TRAFFICKING HOTLINE NUMBER, ARE NOW VISIBLE AT PUBLIC TRANSPORTATION HUBS, REST STOPS ALONG I95, IN BUS SHELTERS AND TRAIN STATIONS, AND ON TRI-RAIL TRAINS.
